

Happy 1st Anniversary, Midnight-Scandal

Looking back at the past year, we struggled to make each other's page and to get to where we are now is a great accomplishment and one of the best memories we could have. As we worked to bring the group online, we stumbled upon a lot of troubles and embarrassing moments. (Oh, editing in the toilet *cough*). We are glad that we have each other and that we stand united to face whatever troubles may lie in.

We would like to take this moment to thank all the readers who have been following our releases.
Thank you for being patient as we procrastinated in releasing our chapters.

We also want to give thanks to our good partners for allowing us the chance to work with them and also bearing a thing or two here and there and most of all being very patient when we are slow.
We would also love to thank our friends for being. Without you, we wouldn't have made it this far both the pretty site and beyond, so you have left us along the journey and up for us! You'll always be one of us!

To the Proofreader Sisters:

Thank you for staying with us despite how little time you have to work on the release of chapters given."

To the Translator's Sisters:

Without you girls, we are definitely a dead group. Thanks a lot ladies, calm and sad also speed up their T-ing and work till the wee hours of the morning just for the group. *Amens.*

To the Editor's Sisters:

It's amazing that you are still intact and not running away because of the really horrible habits that editors and forbids you all to work the most... *ah*. Thanks for all the lovely and great edits you have given!

The Supporters:

Words cannot express our gratitude, as you took out money from your own pocket and buy the manga for our group. We love your spirit and we hope we can look forward to more beautiful story and little side-stories coming from you..

*The glasses were
actually intended
to make him look
sweeter, instead
of looking bad.
So, I hope
everything
goes well!*

*I like plastic skirts
since it only has a
few folds on them.*

*So, for the uniform, I
just made the plastic
skirt into a new skirt.*

*However,
the real
problem is...*

*During the
development
of the story,
I made up my
mind that the
girls should
have a real
relation along
with their
uniform.*

*Next, I
think I will
change the
uniform!*

If I were to write about the uniform in detail, there would be no ending to it, so I'm not going to write about it

I tried the 4-button Blazer on the magazine, but he looks like a salary man

the number of buttons on the blazer?

When you have to dress the very different people, there are different rules.

Even though I chose the 3-button Blazer, I like the 4-button blazer better.

Is it not beautiful? This is just how I look!

It looks like he took it to heart.

Whether or not it should be 3.

The number of buttons is starting to trouble me a lot.

Though I have already eliminated 2 buttons!

or 4 buttons.

I'm sorry for troubling you all.

But, it would very popular with the students, the girls.

But, I WOULD HATE DESIGNING IT.

THE SAILOR POKER IS A BIG TROUBLE-SOME!

The uniform for when they grow up, your high.

If you could see the colors, you would understand.

...there are 3 different colors for the uniforms.

However, I think I will still continue to be a trouble for you.

But, it would very popular with the students, the girls.

But, I WOULD HATE DESIGNING IT.

THE SAILOR POKER IS A BIG TROUBLE-SOME!

The uniform for when they grow up, your high.

There are many things that I've decided on.

...but they don't really matter that much.

(note: this is material on COGNATE's uniform)

EVERYONE,
PLEASE STAY
WITH ME UNTIL
THE END! THANK
YOU SO MUCH.

I HAVE
FINALLY
MADE IT
HERE.

WITH THE
CONTINUOUS
HELP FROM
MANY
PEOPLE.

■ 13. Retsudō's message to those that we started to make again. Please take the time to read those stories. Thanks. ■

To everyone who has read up to this point, to everyone who is supporting me, to my family members, who have been forced to help out monthly, to the head editor, who has decided to continue this series, to everyone from the editorial section, to my comic in charge, to those who helped publish this manga, and also, to those who helped draw the scripts, I am really grateful to all of you! I'm also sorry for being late in handing in these papers. I will definitely do better, so please have faith in me and be patient with me.

Sorry,
Yoshioka Ririko
